THE LORD GORDON PLURBY. The English "mi lord" who turned the stupid heads of plotting mammas in New York, and swindled even

casion of an international rumpus. An attempt to kidnap him "over the border," has ended in the arrest of his would-be kidnappers, and a measure of brutal treatment Fish can be insensible. This Gordon may yet be as famous as the other fool of that name, who cost London so many valuable lives.

THE CITY OF WASHINGTON. morning of the wreck of the City of Washington, will startle, at least, intending travelers to Europe. It is there charged that it was chiefly owing to the captain's neglect that the disaster oc-

work of our planters and their laborers struck either Green island or the reefs, and the glorious weather we are enjoywhich suffered most from rains, the dry weather is correcting the multiplied the firing of cannon, the fog-horn blowing, and women and children as a fire would have done. But four evils attendant upon previous months shricking, a sailor cried, of wet weather, and the result bids fair to be one most cheering to the whole country. Another good crop, and we are out of the woods. Another good crop, and the south will again be upon its legs, ready to assert itself in the money-markets of the world, as at the political center of the republic. Labor is more steady than ever before as a general thing, and the south will again to be one most cheering to the whole two brave men, Cornelius Swanburg and the storm was remarkable for its completeness, destructive effect and narrow-heldeness, destructive effect and narrow-heldeness, destructive effect and narrow-heldeness, destructive effect and narrow-heldeness, destructiv of wet weather, and the result bids fair

The fact that the county court has The fact that the county court has done itself the gross hiposities to violate the plain letter of the law and increase the plain letter of the law and increase the salary of its members from two to five dollars, and the other fact of a perverse attempt to ignore the press of coccupied, and the adjoint femous and outhourses were the salary of its members from two to five dollars, and the other fact of a perverse attempt to ignore the press of the second race was for the grand appreciation of the great work the court has accomplished in cutting down our county debt from \$579,589.81 to \$370,763.01, since the first of January last. Looking at these figures, and remembering the misserable failure Mayor Johnson has made with the city finances, wearealmost tempted to ignore the first of the first failure Mayor Johnson has made with the city finances, wearealmost tempted to ignore the first of the color Parnell, of the United States and several many tempted to ignore the first of the color and descended to the small boat at once, all the first were tenties, and seven stand as once and descended to the small boat at once, all the first were three shall be at and once and descended to the small boat at once. All the first were three shall be at an other case of fifty bonds. The city is due the school board fifty thousand dollars cash. The first due to the school board fifty thousand dollars cash. The second race of fifty bonds. The city of the set as a board of the wind fage that the shool is constituted to the school board fifty thousand dollars cash. The first due to the school board fifty thousand dollars cash. The first due to the were the paying find—to be kept spearate from the neighboring bars and outhourses were second. The city of the set as a board of the stand on the shool in the school board fifty thousand dollars cash. The stand of the payment of the teachers. Before we pay for building, shool of the payment of the teachers. Before we pay to fulling, should be added to the school be set in the city of the s

The adjourned meeting of the school-board was called to order by the president, Mr. Kortrecht, at eight o'clock last night, the following members being present: Messrs. Gavin, Connell, Mipresent: Messrs. Hotel Dieu on Sunday afternoon, and Mary Wood Hill, aged nine months.

He was taken there by a young gentleman who roomed in the FUNERAL NOTICE. an hour or so, only, however, to be choked off again and obscured from the special committee, to whom was referred the question of giving Miss Clark seventy-five dollars as additional pay to her salary of forty-five dollars per month, reported favorably. The report was lost.

When "old sol" made his appearance for min, box the sick man where he could receive proper nursing and attention. To prevent the body from being buried evening let fall a few large drops of rain, but not enough to lay the dust nor cool the heated cobble-stones with which the levee is so beautifully paved. The river is rising more rapidly now, and will continue so to do for several days. The captain's neglect that the disaster occurred. If this be proven, upon investigation, we hope he will be severely punished. The case with which the officers of the ill-inted Atlantic were permitted to escape, has furnished license for the carelessness and indifference wherewith the captain of the City of Washington stands charged, and unless an example is made of him we may reasonably look for many such disasters.
